

## **Pre-service Registration Arrangements**

Given the limited capacity of our churches under the current NSW COVID-19 social distancing restrictions, it is essential that anyone who wishes to attend a church service register with the Parish office.

This can be done by contacting Jenny, the Parish Office Manager, by **no later than 4pm on the day preceding the service**, as follows.

- *Send Us a Message* – click [here](#) to go to the *Contact Us* page
